OXFORDSHIRE & GLOUCESTERSHIRE

Contact: Kara Majerus Tel: 0844 892 1817

@OxonGlosBNA
Oxfordshire & Gloucestershire BNA

BNA's newest Branch and currently building membership. We will shortly be arranging a programme of events which will be based primarily within the Oxfordshire and Gloucestershire counties, with the occasional trip further afield.

Some of the activities we are planning include badger watching, moth trapping nights, botanical surveys, fungus forays, insect days, bird watching excursions and occasional indoor meetings.

We will also be arranging presentations and workshops lead by expert naturalists as well as short courses for members. These activities will cover various aspects of natural history, field skills and biological communication topics such as wildlife photography.

SOUTH YORKSHIRE

Contact: Steve Rutherford MBNA Tel: 07504 356028

NATIONAL EVENTS

NATIONAL INSECT WEEK

18-24 June. Royal Entomological Society.

UK FUNGUS DAY.

Weekend of 6-7th October 2018.

The outreach arm of the British Mycological Society. Raising awareness of the amazing fungal kingdom.

Please Note: Outdoor Meetings

- It is advisable to wear suitable clothing and footwear. Sorry, but we do not allow dogs to accompany our walks. We would urge members to share car transport to events. If you need to arrange a lift, please telephone. However a spare seat cannot be guaranteed. Should you intend to join any outdoor activity somewhere other than at the meeting place, the leader should be told in advance. We remind you that you will not then know if the walk is cancelled or changed at the start.

BNA cannot be held responsible for any mishaps or accidents that may occur on Branch outings. There is public liability insurance cover for field and indoor meetings arranged by the Branch.

The insurance policy does not cover personal accidents.
